

Key Dates

- **18th July – Non uniform day**
- **19th July – End of the school year**

On behalf of all of the staff and governors at New Marske Primary School we wish all of our pupils and families a relaxing and peaceful summer break. We hope you make the most of the time off school, sunny weather and family time to fully recharge your batteries.

School will reopen on **Wednesday the 4th of September 2019**. We look forward to seeing all of our pupils and families on that day.

Non Uniform Day

STOP PRESS: As the last day of term is our prestigious Outstanding pupil award day, we were not intending to have a non uniform day in school, but we have since heard about a local fundraising activity for a year 1 boy in Westgarth Primary school who is being supported while going through a serious illness. With this in mind, Thursday the 18th of July will be a £1 non uniform day, with all funds raised going to support Lochlan in Westgarth Primary School.

School Uniform

Please may we remind you about the school uniform next year. Pupils are expected to wear black school shoes, not trainers. Our maroon jumpers and cardigan can be purchased from all major supermarkets, but can also be ordered via Elizabeth's Embroidery. Our PE kit is a white T short, with black shorts, with a tracksuit top and bottoms for the winter months.

Transition Week

Thank you to all of our parents and pupils for working hard at making our transition week in school a real success. The aim of the week is to get all of our pupils ready for their new year group. This year, again, has worked really well in preparing our pupils for their new classes. After walking around school it is great to see all pupils working with their new teacher, without any anxiety or worry. This means they are in a good position as the new academic year starts in September.

Blossom Tree

At New Marske Primary School we educate pupils from 2 years of age until 11 years of age. If parents are interested in taking a place in our nursery for 2 year old children (Blossom Tree Nursery), please contact the school office. Some parents will find that they can access free spaces in our nursery.

Lost Property

In school we always try to reunite lost property with its owner. This year we seem to have lots of lost clothing that we have tried hard to reunite, but with no success. If all clothing in school can be labelled, this would be a great help. As no one is collecting our final batch of lost clothing, rather than placing this lost property in the bin, we will place this in the KS2 playground on Wednesday afternoon, to allow parents to see if it can be useful for their families. We have lots of school jumpers and sports clothes that we hope will go to a good home.
