

Welcome back!

We hope all of our pupils, parents, families and friends have had a relaxing and peaceful break over the summer. We are delighted with the way our pupils have returned to school and are looking forward to a really exciting year in school. A special welcome to all of our reception and nursery pupils, some of whom are experiencing their first week at school.

The Link

Over the course of this year, the school will be working with the Link (Redcar) to support pupils and families in a range of areas covering issues such as mental health, behaviour and home concerns. From Thursday the 19th of September the Link worker will be offering a drop in session for parents, from 8:30am until 9:15am. These sessions can be used to support parents and help point them in the right direction for a range of questions they might have.

We are collecting the ALDI stickers – please bring these to the office to allow us to be given the chance to win the equipment for school.

UNIFORM AND EARRINGS

Please can we remind you that school operates a no earring policy in school. Children wearing earrings (including invisible) will not be able to participate in PE or go outside for playtime sessions.

Please ensure that all children bring their school PE kit on a Monday morning and take it home on a Friday.

All children must wear school shoes rather than trainers.
