ART Competition!!

New Marske Primary school will be holding an art competition this Summer term.

Using our beautiful Errington Woods as inspiration, participants are encouraged to create a drawing, painting, sculpture, diorama, collage with found objects...or think of your own unique artwork!

Relationships and Health Education Policy Consultation

On Monday the 17th of May at 4:30pm, there will be a consultation about the approach the school is taking to the teaching of relationships and health education. In June 2018, the school consulted with parents regarding how relationships and health education was taught, and from September 2020, primary schools have had to incorporate effective relationships education into their curriculum.

At Monday's meeting, parents will learn how the school will incorporate relationships into the school curriculum, looking at some of the topics covered in different year groups.

Safeguarding

If any member of our school community has any concerns about the safety of children, there is a designated safeguarding team in school to deal with these concerns. The team consists of:

- **Mr Dooris (head teacher) Designated Safeguarding Lead**
- **Mrs Rule (deputy head teacher) Deputy Designated Safeguarding Lead**
- **Mrs Rafferty (School Business Manager) Safeguarding Governor**

Any concern can be raised with these staff. This could cover issues such as E Safety, concerns about a child, or how to access support for personal issues.
