

The PTFA needs YOU!

Over the past few years, the PTFA have raised thousands of pounds that have gone directly into supporting the education of your children. They have subsidised school trips, funded the reading areas, provided resources and organised out of school activities for all year groups. If you have a little time to spare, would you be able to support the groups as they develop new ideas for fundraising in the new year? It's important that all year groups are represented so that all year groups can benefit from the wonderful work the PTFA do across school. Please contact the office for more details.

Fence Update

As mentioned in a the first letter to parents of the new year, we are looking at having new security fencing installed in school. This was supposed to have happened towards the end of the summer holiday, but unfortunately, due to a mix up with a delivery, it was not completed. Work is due to start this week on the fence, with the new access arrangements working from Monday the 20th of July. Any disruption to parents and pupils will be kept to a minimum,

Safeguarding team

Safeguarding children is the most important priority for any school. The team that will help support this from September 2021 will be:

- **Mr Dooris – designated safeguarding lead**
- **Mrs Preston – deputy designated safeguarding lead**
- **Mrs Rafferty – Safeguarding governor**

If anyone has a concern regarding the safety of a child, please speak to these staff or contact the school office.

National Online Safety

The school have recently purchased a resource that will help pupils, parents and teachers navigate the tricky world of online safety. The award winning resource, **National Online Safety**, provides up to date information about a range of areas impact on us all.

If you want to know about any dangers associated with Roblox or Minecraft, how to set parental locks on devices or find out what Sadržing is, the resource is a great was to start. The resource has a regular #WakeupWednesday update which provides users with information about a hot topic you need to know about. This is supported by a range of factsheets and webinars to help users develop more awareness about how to stay safe on line.

Attached to this newsletter is a factsheet about keeping E-Safe when returning to school. As you can see, the factsheets are informative, bursting with information and quick to read.

To access the resource you need to click on the following link and set yourself up as a parent on the App. <https://nationalonlinesafety.com/enrol/new-marske-primary-school>. You can use the resource as and when you need it, as well as receiving the weekly updates. Give it a go!

Multi Sports Club

From the 20th of September there will be a range of clubs offered to year group across school. More information about this will follow in the coming week. To get started, there will be a multi sports club offered to years 3, 4, 5 and 6 starting on Wednesday from 3:15pm to 4:30pm. The sessions will be run by Simon Carson Sports coaching and will offer a range of sporting activities for girls and boys or any ability. Later in the term there will be a separate multi sports club for reception, year 1 and year 2. The cost for this club is £3:00 per pupil per session. Payment can be made on ParentPay.
