Food donations

We celebrated our Harvest Festival yesterday, with the whole school reflecting on how fortunate we are to have farmers who grow our food, people who package and sell it, and families who prepare it for us. During the service, we also thought about families in our local area who are not as fortunate—those who struggle to afford food or go hungry at night.

Some of our families have kindly donated food, which will be given to the St Emmanuel Foodbank over the October half term. It's a way of sharing the good fortune we have with others in need. If you would like to donate anything, no matter how small, please drop your donation off at
