Art Competition

The artwork for the GMAT art competition was wonderful, with a beautiful selection of art works made by the pupils. **Athena** was selected for her lovely space painting and won an overall award for best painting.

Red Nose Day will be returning on **Friday the 20th of March**. This year, the event will focus on supporting those in need during the current cost of living crisis, focusing on issues like lack of food and homelessness.

The children in the school council have planned some activities for the day. Children are invited into school in red/non uniform and to bring a donation of £1.

They would like to also sell cakes/biscuits. Children can buy these for 50p on the day.

Any cake donations are kindly welcome. (We are a nut free school)

Redcar and Cleveland's Walking and Cycling Hub wants to help you travel more actively. So, we're coming to your school!

Kids, guardians, and family bikes are welcome. There's no need to book, just drop your bike(s) off at the start of the school day, and they'll be ready to collect at the end of the school day. We don't replace or install new parts but if it's needed, we'll advise you on local bike shops and the possible costs.
