Leavers Assembly (2:00pm)	16 th July
Outstanding Pupil (9:30am)	17 th July
End of school year	17 th July
PD Day	20 th and 21 st July

Fidget Toys

Due to the complexity of some of the fidget toys coming into school, as well as the health and safety implications of knowing what some of these toys are made of, pupils are not allowed to bring fidgets into school. If a pupil requires a fidget toy, this should be on the pupils support plan and a fidget can be selected from the schools selection of accredited fidget toys.

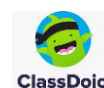

Parent and pupil survey

Thank you to the parents who did take part in the parent survey. Although there was a relatively small number of responses, the school have been able to look at some areas commented upon and take some actions.

A summary of the survey results, as well as the pupil survey results, will be shared with parents in the next newsletter.

Messaging School

Over the course of last term, teachers have been experimenting with class Dojo as an effective way to show parents what is going on in the classroom. This has initially proved successful and we are looking at rolling this out across the school.

Although Class Dojo does have the option to communicate with the class teacher, we do ask that any messages regarding pupils, are sent via Arbor, as any message sent to Class Dojo are not responded to.

Clubs

From Friday 1st May a new Hit It Club will be starting on a Friday from 3:15pm to 4:15pm. The club will develop the skills needed to enjoy sports involved with hitting, throwing and catching. Over the term, pupils will learn the skills needed to play golf and cricket. The club is open to pupils in years 3, 4, 5 and 6 and is available to sign up to on Arbor now.

Please can we remind parents, that if your child no longer wants to attend any club or is not attending for a session they are already signed up to, contact should be made with the school office before the session begins.
