

Sports day is taking place this year on Wednesday 1<sup>st</sup> of July. On that day, our Early Years will be having their sports day at 10am. With the rest of the school taking part in sports day from 1:30pm. As with previous years, sports day will involve pupils rotating around a series of sporting activity, with the winning house team being presented with the sports day Cup at the end.

Your child's team/house colour is listed on their profile in the Arbor app. Pupils can come to school in PE kits on the day. If possible, please could your child wear a top in their house colour. It would be greatly appreciated.

Fingers crossed for good weather. If sports day is cancelled, due to wet or really hot weather, we do always see if we can find an alternative day. As a school we recognise how important this day is for our pupils and always do our best to make the day take place.

## School Photos

Final orders for the school photos need to be placed by Monday the 29<sup>th</sup> of July. Please bring orders to the office or order online.

In what has been an incredibly warm week in school, we have been really pleased with the way our pupils have handled the hot weather and with the way our parents have supported them to stay safe. Please ensure that, when the weather is warm, children come to school with a drink of water a hat and suncream already applied, as these provide good protection against the effects of the heat.

Within school, we always try to make sure classrooms are well ventilated and that our air-conditioned rooms are available for pupils, so that the heat does not have an adverse impact on their wellbeing during the school day.

## Class for the 2026/2027 academic year

Due to some changes within our staff team, we are looking at rearranging some classes for the next academic year. Mrs Conway has now begun her maternity leave, and we all wish her the very best for the birth of her second child. Miss Money, from Blossom Tree Nursery, will also be moving on to pastures new, and we wish her the best of luck for the future.

Over the next few weeks, we will be recruiting additional support staff to continue providing the best support for our pupils in school, these will be advertised on the Galileo Website.

Year Group	Teacher	Support Staff
