■ Bank Holiday
■ School Holiday
■ PD Days (Teacher Closed to Pupils)
■ Year 6 SATS
■ Year 6 Mocks, Screening & Year 4 Multiplication Tables Check

Please find attached the term dates and PD days for the next academic year. The school year will start for pupils on Thursday the 3rd of September and will finish on Wednesday the 21st of July.

Sports day is taking place this year on Wednesday the 1st of July. On that day, our Early Years will be having their sports day at 10am with the rest of the school taking part in sports day from 1:30pm. As with previous years, sports day will involve pupils rotating around a series of sporting activities, with the winning house team being presented with the sports day Cup at the end. Fingers crossed for good weather. If sports day is cancelled, we do always see if we can find an alternative day, but often, due to a packed schedule for the end of the year, that can be difficult.

School Crossing

Jean, our school crossing patrol does a great job at ensuring our pupils and parents get across the road safely. Even though we do have a crossing patrol, pupils and parents still have to be aware of the dangers nearby. We recommended that parents are not using phones near the crossing and pupil get off their bikes and scooters. This will help everyone get to or from school safely.

Social Media Ban

A social media ban for under 16s was announced this week, with the government now putting in plans to reduce access to social media for young people from 2027.

Parents do not have to wait that long to ensure they are keeping up to date on how to keep your child safe on line.

Some key websites to support parents are:

[1. NSPCC – Keeping Children Safe Online](#)

A comprehensive hub covering parental controls, conversations about online risks, AI guidance, online wellbeing, and how to report concerns.

[2. UK Safer Internet Centre](#)

Provides clear advice for parents and carers, including guides to devices, social media safety features, screen time, sexting, and reporting harmful content.

[3. UK Safer Internet Centre – Parents & Carers Resources](#)

A dedicated section with practical tips, conversation starters, technology guides, and support for managing online challenges like cyberbullying or sextortion.

[4. Help your child stay safe online - Kids Online Safety](#)

A parent-friendly site offering step-by-step guidance on starting safety conversations, understanding online issues, using parental controls, and knowing where to report concerns.

[5. Childnet — Online safety for young people](#)

Provides advice for parents, carers, and young people on topics such as social media, online bullying, gaming, digital wellbeing, and emerging online risks.
