

Pupil Reports

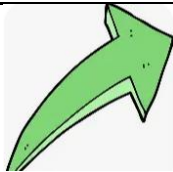

Teachers are currently putting the finishing touches to this year's pupil reports. We are hoping to send these to parents on **Tuesday 14th July**, giving families the opportunity to discuss the report with their child's teacher if they wish.

Unfortunately, we have been informed by the DfE that Key Stage 2 SATs results will now be released to schools on **16th July**, rather than the expected **7th July**. As soon as we receive the results, we will send them to parents.

Thank you for your support on Sports day. It was a great day that saw our pupils really enjoy competing in front of their friends and family.

Transition in School

Next week will be an exciting one in school, as pupils spend Monday to Wednesday with their new teacher. These transition days provide a valuable opportunity for children to get to know their new teacher (where applicable), become familiar with their new classroom, and understand the routines, systems and expectations for the new academic year.

These transition days are always planned to coincide with our Year 6 pupils' move to their new secondary schools, providing an ideal opportunity for the rest of the school to experience their new classes and teachers.

At the end of each day, parents and carers should continue to collect their children from their usual pick-up points.

The Saltburn, Marske and New Marske Produce Show

We are really excited to be hosting the Saltburn, Marske and New Marske Handicraft and Produce Show at school on **Sunday the 13th of September**. This is a fantastic opportunity to engage with our local community and showcase New Marske as the heart of this important annual event.

As well as the traditional show categories for adults to grow, make and bake, our pupils will also have the opportunity to take part.

One of the challenges set by the Parish Council is to see who can grow the biggest sunflower! Next week, every pupil will receive a pot, some compost and a sunflower seed, along with the challenge of growing and nurturing their sunflower over the summer before bringing it along to the Produce Show in September.

Pupils will hear all about this exciting challenge on Monday. Good luck, everyone!

Mrs P. Cook

Chair of Governors

Keeping our children safe is the most important responsibility of everyone who works in our school. From our school crossing patrol to our kitchen, office and classroom staff, every member of our team is committed to doing everything they can to ensure the safety and wellbeing of our pupils.

If you have any concerns about a child, or if there is a safeguarding issue you would like to discuss, please pop into school at any time to speak to a member of our safeguarding team.
